

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2005 Assembly Bill 683

Assembly Amendment 1

Memo published: February 2, 2006

Contact: Richard Sweet, Senior Staff Attorney (266-2982)

Assembly Bill 683 modifies a number of statutes that allow specified activities to be undertaken by a physician or, in some instances, by a physician or other type of enumerated health care provider. The bill amends those statutes to include references to advanced practice nurse prescribers (APNPs) and physician assistants. Examples of some of the types of statutes amended are those that relate to reporting of communicable or sexually transmitted diseases, and those that relate to therapeutic substitutions for prescription drugs.

Assembly Amendment 1 retains the new references to APNPs in the bill, but deletes the references to physician assistants.
